TECHNOLOGY BUYBACK PROCESS

Recoup the highest value for your used Chromebook or Apple devices with AGParts Education's K-12 Buyback Program. Whether your district is refreshing devices or looking to get the best value for your older fleet, AGParts Education offers the simplest and most lucrative way to get cash or credit for your used devices.

We know that technology buyback can be an overwhelming process, but we're here to make it as easy as possible for you! These three steps show you just how simple device buyback is with AGParts Education.

*After your devices are received at the AGParts Education facility, we will begin our detailed testing and grading process. This process takes approximately 30 days and upon completion your school district will receive an outline providing the final grades and total monetary value of your devices. Your payment will be issued within 45 days of audit completion.

No deductions for missing accessories or engravings!

REQUEST A QUOTE We'll provide a written quote. Upon signing the quote, we'll send you the purchase order.

*IN-HOUSE EVALUATION PROCESS Our trained technicians fully test and grade all units. Once the evaluation process is complete, you may redeem your cash or credit!

PACK DEVICES

We'll send you packing materials, just follow our packing step guide

FUNC

Top Dollar Payout

Our repair capabilities and network of schools and customers across the globe, allow us to pay top dollar for your used Apple or Chromebook devices.

Keep Funds Within Your Technology Budget

Your payout amount can be credited to your account and used towards discounted purchases of parts or towards other solutions. This credit option helps to keep funds within your technology budget.

Free Shipping Labels and Boxes

We provide complimentary shipping labels, packing materials and boxes.

White Glove Pickup Service

White glove service is available for qualifying buybacks with a device quantity of 1,500 or more. Please inquire for more details.

Student Data Privacy

We operate under the National Institute of Standards and Technology (NIST) guidelines to ensure your students' data is protected and issue data privacy certificates upon completion.

Payment Information

Once your buyback audit is complete, you will be provided with an electronic copy of your detailed grading report and final monetary value of your devices.

We Offer More

Our expertise and global resources allow us to consistently outbid our competitors. By choosing to take credit, you receive a 10% bonus to keep within your technology budget.

No Deductions

We don't penalize for devices that have missing AC adapters or engraving.

We're Environmentally Conscious

When you partner with AGParts Education on device buyback or any of our other K-12 technology solutions, you can rest assured that all electronic products are reused and recycled in a way that promotes resource preservation, the well-being of the natural environment, and the health and safety of workers and communities.
